

## Position Vacancy, 2021

**Title:** Watercraft Inspection Steward/Environmental Educator

**Program Mission:** This program is possible through an agreement between SUNY ESF and NYS Office of Parks, Recreation and Historic Preservation. The Watercraft Inspection Program is a public education program whose goal is to prevent the spread of aquatic invasive species (AIS) through voluntary watercraft inspections and educational outreach.

**Position Type:** Summer seasonal appointment (May-September) exceeding no more than four months. Full time (40 hours/week). Work schedule is Friday-Monday, 8:00AM-6:30PM. Weekends and holidays are mandatory.

**Compensation:** The rate of pay is \$13.91 per hour. This position does not include health care benefits or paid leave.

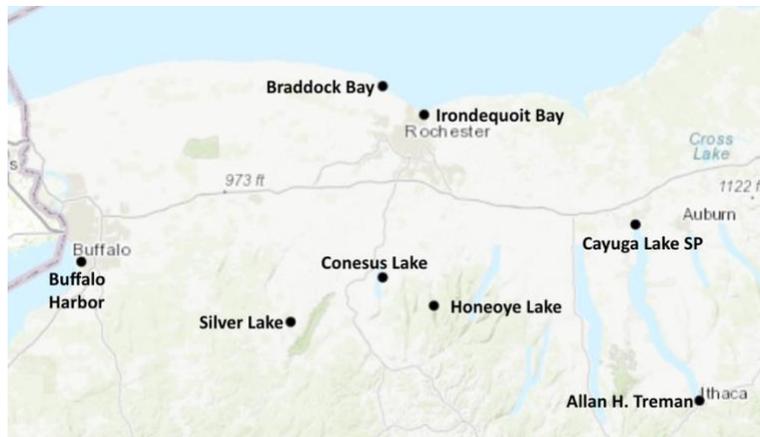

### **Position Locations:**

**Niagara:** Buffalo Harbor

**Genesee:** Silver Lake, Braddock Bay,  
Irondequoit Bay

**Finger Lakes:** Cayuga Lake, Allan H.

Treman, Honeoye Lake, Conesus Lake  
Stewards should be located within commuting distance of one of these areas. Transportation and housing will not be provided. Each steward will be responsible for one launch and should have reliable transportation. Location reassignments and variations in hours are unlikely but may occur as needed.

### **Duties and Responsibilities:**

- Perform voluntary watercraft inspections; educate patrons about aquatic invasive species and distribute educational literature and brochures.
- Collect data about boat launch use, aquatic invasive species spread prevention behaviors, and vectors for potential AIS spread.
- Participate in invasive species removal projects, public education and outreach opportunities, and various trainings throughout the season.
- Positions located at Allan H. Treman and Conesus Lake require the operation of a watercraft decontamination station.

### **Qualifications:**

- Completed or pursuing a degree in natural resources, biology, environmental studies, recreation, or education.
- Strong verbal communication skills and ability to interact with the public.
- Capable of performing duties independently.
- Comfortable working outdoors for long hours and possibly in inclement weather.

**Application Procedure:** Send a **resume, cover letter, and three references** in one attachment to mbroda@esf.edu. Applicants should **indicate preferred work location(s)** in their cover letter. Please contact Mallory Broda

(mbroda@esf.edu; 585-735-5978) or Professor Kimberly Schulz (kschulz@esf.edu; 315-470-6808) with any questions pertaining to the position. Although applications will be accepted until positions are filled, candidates should submit their application by **March 15th** to ensure optimal consideration.

Note: This program was operational in 2020 and is expected to run smoothly in 2021. Covid-19 protocols will be followed to keep both staff and patrons safe.
