Is the proposed work located on public or private property? If public, briefly describe.	
iMapInvasives Username, Person #	

The deadline for project nominations is **January 6th, 2026, at 11:59PM**. Please complete in full as a PDF document [using the template provided](#) and submit by uploading to [Google forms](#), more information can be found on [our website](#). Please review supporting documents on our web page before proceeding with the proposal. If you have any questions, please email Brittney Rogers, brittney.rogers@TNC.ORG, Invasive Species Program Director, SLELO PRISM. Projects will be reviewed and selected by the PRISM team. Notice of contract awards will be announced by **January 16th, 2026**. Formal agreements will be subject to approval by TNC and the NYSDEC Invasive Species Coordination Section and may take up to 8 weeks to finalize.

Project budgets are not to exceed \$24,500 and should be no less than \$10,000. Projects do not require any matching funds. If selected, recipients and all subsequent subcontractors are subject to both TNC and NYSDEC contracting policies and requirements. Awards are also contingent upon specific insurance requirements. An initial project kickoff meeting with SLELO PRISM staff and project lead, mid-season report, newsletter or blog update, and a final report will be required. Recipients are also required to present their project at two PRISM Partner Meetings.

Funding for SLELO PRISM is provided through the New York State Environmental Protection Fund through NYS Department of Environmental Conservation through Contract C012859 with The Nature Conservancy
